

The Gazette

BoyGroove *****/6 Don't miss this hilarious musical comedy. The entire audience went along for the ride as these four talented performers *effectively* presented the rise and fall of their boy-band career. The perfectly cheesy choreography combined with the lyrics and humorous banter will have you wishing for a backstage pass at the end of the show. It's one of those shows I really wanted to see in this Fringe, and I wasn't disappointed. **Venue 2: tomorrow, 2:30 p.m.; Saturday, 9:45 p.m. (Brent Dawes)**
