**EVERY STORY EVER TOLD...
Ryan Gladstone to Perform
His Most Ambitious
One-Man Show Yet!**

Once upon a time there was a man
(Fringe Superstar Ryan Gladstone)
who thought he could tell
Every Story Ever Told...
in One Hour...Can he?!

In his ELEVENTH year at
The Winnipeg Fringe Festival, Monster Theatre's Ryan Gladstone has given himself his greatest challenge yet.
The question is, can he do it?

Ryan Gladstone, Artistic Director and author or co-author of every play Monster Theatre has created in its 11 years is returning yet again to rock the King's Head Pub with his boldly ambitious brand new one-man show. ***Every Story Ever Told***, written by Gladstone and directed by former Winnipegger Karen Hamm (director of *The Seven Lives of Louis Riel* and *The Shakespeare Show*), premieres at the Ottawa Fringe Festival before coming to Winnipeg in July.

Since Monster Theatre's birth in 2000, they have become North American Fringe Festival phenoms with Gladstone at the helm. Their award-winning takes on The History of Canada, The History of the World, The History of the Future, the untold stories of Shakespeare, Louis Riel, Jesus, Freud, Napoleon and more have all received critical and audience acclaim and have gone on to be presented in regional theatres across Canada.

"Gladstone's hyperkinetic revue of human storytelling and, by proxy, human nature is an undeniable success...an incredibly rich, dizzying experience that should not be missed."
-BENT

"Gladstone has the energy of a hyperactive youngster and the nerve of a stand-up comic, and it's hard to tell whether he or the audience is having more fun."
-The Ottawa Citizen

"The funniest show at this year's Fringe Festival."
-fullyfringed.ca

Now it's time to put those skills to the test.

Oh, but that's not all, folks!! Ryan has also written and directed ***Houdini's Last Escape***, which features Fringe veteran and magician Christopher Bange, and Monster Theatre's own Tara Travis (*The Shakespeare Show*, *Lavignia: A Modern Fairy Tale of Gigantic Proportions*).
